- (a) a purchase or redemption of Shares by or on behalf of the Issuer shall not constitute a Capital Distribution or be taken into account in determining whether any other Dividend or distribution shall constitute a Capital Distribution unless in the case of purchases of Shares by the Issuer, the average price per Share (before expenses) on any one day in respect of such purchases exceeds by more than 5 per cent. the Current Market Price per Share either: (1) on that date; or (2) where an announcement has been made (excluding, for the avoidance of doubt, any general authority for such purchases given by a Shareholders' meeting of the Issuer, or any notice convening such meeting) of the intention to purchase Shares at some future date at a specified price, on the Trading Day immediately preceding the date of such announcement in which case such purchase shall be deemed to constitute a Capital Distribution in the amount of the aggregate price paid (before expenses) in respect of such Shares purchased by the Issuer; and

- (b) in making any such calculation under this definition, such adjustments (if any) shall be made as a leading investment bank of international repute (acting as experts), selected by the Issuer and approved by an Ordinary Resolution of the Bondholders, may consider appropriate to reflect: (1) any consolidation or subdivision of the Shares; (2) issues of Shares by way of capitalisation of profits or reserves, or any like or similar event; or (3) the modification of any rights to Dividends of Shares;

Title to the Bonds passes only by transfer and registration in the Register of Bondholders as described in Condition 5. The holder of any Bond will (except as otherwise required by law) be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it or any writing on, or the theft or loss of, the Bond Certificate issued in respect of it (other than the endorsed form of transfer)) and no person will be liable for so treating the holder.

The Issuer will cause to be kept at the Designated Office a register on which shall be entered the names and addresses of the holders of the Bonds and the particulars of the Bonds held by them and of all transfers of the Bonds (the ***Register of Bondholders***). Subject to Condition 5.5, a Bond, in whole or in part, may be transferred or exchanged at any time by delivery of the Bond Certificate issued in respect of that Bond, with the endorsed form of transfer (in the form set out in Schedule 2 to these Conditions) duly completed and signed by the registered Bondholder or his attorney duly authorised in writing, to the Issuer at the Designated Office together with such evidence as the Issuer may reasonably require to prove the authority of the individuals who have executed the form of transfer provided that, the prior approval of the Hong Kong Stock Exchange or any Alternative Stock Exchange, as the case may be, shall be obtained (if required) for any transfer or exchange to any person who the transferor knows to be a connected person (as defined in the Listing Rules) of the Issuer. No transfer of title to a Bond will be valid unless and until entered on the Register of Bondholders.

5.3 Delivery of New Bond Certificates

- (a) Each new Bond Certificate to be issued upon a transfer, exchange or conversion of Bonds shall, within five Business Days of receipt by the Issuer of the endorsed form of transfer duly completed and signed, be made available for collection at the Designated Office or, if so requested in the form of transfer, be mailed by uninsured mail at the risk of the holder entitled to the Bonds (but free of charge to the holder) to the address specified in the form of transfer.
- (b) Where only part of the principal amount of the Bonds in respect of which a Bond Certificate is issued is to be transferred, exchanged or converted, a new Bond Certificate in respect of the Bonds not so transferred, exchanged or converted will, within five Business Days of delivery of the original Bond Certificate to the Issuer, be mailed by uninsured mail at the risk of the holder entitled to the Bonds not so transferred, exchanged or converted (but free of charge to the holder) to the address of such holder appearing on the Register of Bondholders.

5.4 Formalities Free of Charge

Registration of a transfer of Bonds will be effected without charge by or on behalf of the Issuer, but only upon payment (or the giving of such indemnity as the Issuer may reasonably require) in respect of any tax or other governmental charges which may be imposed in relation to such transfer.

5.5 Closed Periods

No Bondholder may require the transfer of a Bond to be registered: (i) during the period of seven days ending on (and including) the dates for redemption pursuant to Condition 11.2; (ii) after a Conversion Notice has been delivered with respect to a Bond; (iii) after a Change of Control Put Exercise Notice has been deposited in respect of such a Bond; (iv) after a Delisting Put Exercise Notice has been deposited in respect of such a Bond; or (iv) after a Bond has otherwise been called or put for redemption in accordance with its terms, each such period being a ***Closed Period***.

6. NEGATIVE PLEDGE

6.1 Negative Pledge

- (a) So long as there are Outstanding Bonds, unless with the prior consent by an Ordinary Resolution of the Bondholders, the Issuer will not, and the Issuer will procure that its Subsidiaries will not create or permit to subsist, any mortgage, charge, pledge, lien or other form of encumbrance or security interest (***Security***) upon the whole or any part of its undertaking, assets or revenues, present or future, to secure any Debt Securities or to secure any guarantee of or indemnity in respect of, any Debt Securities, save for any hedging arrangements ordinarily entered into for the purpose of hedging interest rate or currency exposure arising in respect of such Debt Securities, unless, at the same time or prior thereto, the Issuer's obligations under the Bonds: (i) are secured equally and rateably therewith; or (ii) have the benefit of such other Security, guarantee, indemnity or other arrangement as is not materially less beneficial to the Bondholders or as shall be approved by a Special Resolution of the Bondholders.
- (b) So long as there are Outstanding Bonds, the Issuer will not, and will procure that its Subsidiaries will not, consolidate with, merge or amalgamate into or transfer its assets substantially as an entirety to any corporation or convey or transfer its properties and assets substantially as an entirety to any person (the consummation of any such event, a ***Merger***), unless:
 - (i) the Issuer has notified the holders of the Bonds of such event in accordance with Condition 18;
 - (ii) the corporation formed by such Merger or the person that acquires such properties and assets shall expressly assume all obligations of the Issuer under the Bonds and the performance of every covenant and agreement applicable to it contained therein and herein;
 - (iii) immediately after giving effect to any such Merger, none of the events specified in Condition 13.1 shall have occurred or be continuing or would result therefrom and the Issuer shall have provided to the Bondholders an authorised officer's certificate to such effect; and
 - (iv) the corporation formed by such Merger, or the person that acquired such properties and assets, shall expressly agree, among other things, to indemnify each Bondholder against any tax, assessment or governmental charge payable by withholding or deduction thereafter imposed on such holder solely as a consequence of such Merger with respect to the payment of principal and premium on the Bonds.
- (c) So long as there are Outstanding Bonds, the Issuer will not, and will procure that its Subsidiaries will not, directly or indirectly, engage in trading in shares, derivatives, options or other securities (save for in respect of hedging arrangements ordinarily entered into for the purposes of hedging interest rate or currency exposure) except with the prior consent by an Ordinary Resolution of the Bondholders.

7. INTEREST

7.1 Interest Commencement and Rate

- (a) The Bond bear interest from and including the Issue Date at the Rate of Interest payable annually on January 4 in each year (each an Interest Payment Date) commencing on January 4, 2019, provided that if any Interest Payment Date would otherwise fall on a day which is not a Business Day, it shall be postponed to the next day which is a Business Day, unless it would thereby fall into the next calendar month, in which case the Interest Payment Date will be brought forward to the previous Business Day.
- (b) Interest in respect of a Bond shall be calculated and paid in Hong Kong Dollar calculated by applying Rate of Interest to the Principal Amount of such Bond.

7.2 Cessation of the Interest Accrual

Each Bond will cease to bear interest on the earlier of:

- (a) the Conversion Date; and
- (b) the date where the Bond has been fully repaid, purchased and cancelled or redeemed in accordance with these Conditions or otherwise as agreed between the Bondholders and the Issuer.

7.3 Principal Amount Not Paid on Due Date

If, upon due presentation of any Bond on the due date for redemption, payment of principal is improperly held or refused, such Bond will continue to bear interest at the Rate of Interest (both before and after judgment) until the day on which all sums due in respect of such Bond up to that day are received by or on behalf of the relevant Bondholder.

7.4 Interest Amount

If interest is required to be paid in respect of a Bond on any other date or on an Interest Payment Date but in respect of a period which does not commence on an earlier Interest Payment Date, the interest in respect of a Bond shall be the amount calculated by applying the Rate of Interest to the Principal Amount of such Bond, multiplying the product by the relevant Day Count Fraction and rounding the resulting figure to the nearest HKD (half a HKD being rounded upwards), where **Day Count Fraction** means, in respect of any period, the number of days in the relevant period divided by 360 (being the number of days to be calculated on the basis of a year of 360 days with 12 30-day months).

8. CONVERSION

8.1 Conversion Right

- (a) *Conversion Period:* Subject as hereinafter provided, Bondholders have the right to convert their Bonds into Shares at any time during the Conversion Period. The right of a Bondholder to convert any Bond into Shares is called the **Conversion Right**. Subject to and upon compliance with the provisions of this Condition, the Conversion Right attaching to any Bond may be exercised, at the option of the holder thereof, at any time on or after the Issue Date up to the close of business (at the place where the Bond Certificate evidencing such Bond is deposited for conversion) on the Maturity Date (but, except as provided in Condition 8.1(d), in no event thereafter) or if such Bond shall have been called or put for redemption at any time on or after the Issue

Date, then up to the close of business (at the place aforesaid) on a date no later than five Business Days (at the place aforesaid) prior to the date fixed for redemption thereof (the **Conversion Period**).

- (b) *Fractions of Shares*: Fractions of Shares will not be issued on conversion and no cash adjustments will be made in respect thereof. However, if the Conversion Right in respect of more than one Bond is exercised at any one time such that the Shares to be issued on conversion are to be registered in the same name, the number of such Shares to be issued in respect thereof shall be calculated on the basis of the aggregate principal amount of such Bonds being so converted and rounded down to the nearest whole number of Shares. Notwithstanding the foregoing, in the event of a consolidation or re-classification of Shares by operation of law or otherwise occurring after the Issue Date which reduces the number of Shares outstanding, the Issuer will upon conversion of Bonds pay to the Bondholder in cash (in Hong Kong dollars) a sum equal to such portion of the principal amount of the Bond or Bonds evidenced by the Bond Certificate deposited in connection with the exercise of Conversion Rights, aggregated as provided in Condition 8.1(c), as corresponds to any fraction of a Share not issued as a result of such consolidation or re-classification aforesaid. Any such sum shall be due and payable on the date the Shares are delivered pursuant to Condition 8.2(c).
- (c) *Conversion Price and Conversion Ratio*: The number of Shares to be issued on conversion of a Bond will be determined by dividing the principal amount of the Bond to be converted by the Conversion Price in effect at the Conversion Date. If more than one Bond held by the same holder is converted at any one time by the same holder, the number of Shares to be issued upon such conversion will be calculated on the basis of the aggregate principal amount of the Bonds to be converted.
- (d) *Revival and/or survival after Default*: Notwithstanding the provisions of Condition 8.1(a), if: (i) the Issuer shall default in making payment in full in respect of any Bond which shall have been called for redemption on the date fixed for redemption thereof; (ii) any Bond has become due and payable prior to the Maturity Date by reason of the occurrence of any of the events referred to in Condition 13; or (iii) any Bond is not redeemed on the Maturity Date in accordance with Condition 11.1, the Conversion Right attaching to such Bond will revive and/or will continue to be exercisable up to, and including, the close of business at the Designated Office on the date upon which the full amount of the moneys payable in respect of such Bond has been duly received by the Bondholders and, notwithstanding the provisions of Condition 8.1(a), any Bond in respect of which the Bond Certificate and Conversion Notice are deposited for conversion prior to such date shall be converted on the relevant Conversion Date notwithstanding that the full amount of the moneys payable in respect of such Bond shall have been received by the Bondholders before such Conversion Date or that the Conversion Period may have expired before such Conversion Date.
- (e) *Conversion Restriction*: The Conversion Rights shall not be exercised by the Bondholder, or if exercised by virtue of a Conversion Notice having been given, the Issuer shall not be obliged to issue any Shares under this Instrument and may treat the Conversion Notice as being invalid, if immediately following such conversion, the Issuer will be unable to meet the Public Float Requirement. If a proposed exercise of the Conversion Right would result in any non-compliance with the Public Float Requirement, the Issuer shall, within two (2) Business Days from the date of receipt of the applicable Conversion Notice, issue a notice to inform the Bondholders in writing that the Conversion Date in respect of the relevant Bonds shall be deferred

and instead be the date on which the issue of Shares would not result in non-compliance with the Public Float Requirement.

8.2 Conversion Procedure

(a) *Conversion Notice:*

- (i) To exercise the Conversion Right attaching to any Bond, the holder thereof must complete, execute and deposit at his own expense during normal office hours at the Designated Office a notice of conversion (a ***Conversion Notice***) in duplicate in the form set out in Schedule 3 to this Instrument, together with the relevant Bond Certificate. A Conversion Notice deposited outside the normal office hours or on a day which is not a Business Day at the place of the Designated Office shall for all purposes be deemed to have been deposited with the Issuer during the normal office hours on the next Business Day following such day. A Conversion Notice once delivered shall be irrevocable and may not be withdrawn unless the Issuer consents in writing to such withdrawal.
- (ii) The conversion date in respect of a Bond (the ***Conversion Date***) must fall at a time when the Conversion Right attaching to that Bond is expressed in these Conditions to be exercisable (subject to the provisions of Condition 8.1(d) above) and will be deemed to be the Trading Day immediately following the date of the surrender of the Bond Certificate in respect of such Bond and delivery of such Conversion Notice and, if applicable, any payment to be made or indemnity given under these Conditions in connection with the exercise of such Conversion Right.

(b) *Stamp Duty etc.:* A Bondholder delivering a Bond Certificate in respect of a Bond for conversion must pay: (i) any taxes and capital, stamp, issue and registration duties arising on conversion (other than any taxes or capital or stamp duties payable in Hong Kong, and, if relevant, in the place of the Alternative Stock Exchange, by the Issuer in respect of the allotment and issue of Shares and listing of the Shares on the Hong Kong Stock Exchange or Alternative Stock Exchange on conversion) (the ***Taxes***); and (ii) all, if any, taxes arising by reference to any disposal or deemed disposal of a Bond in connection with such conversion, in each case directly to the relevant authorities. The Issuer is under no obligation to determine whether a Bondholder is liable to pay any Taxes under this Condition 8.2 and shall not be liable for any failure of a Bondholder to make such payment. The Issuer will pay all other expenses arising on the issue of Shares upon any conversion of Bonds.

(c) *Registration:*

- (i) In the case of any Bonds converted on exercise of the Conversion Right and a duly completed Conversion Notice as required by Condition 8.2(a) has been delivered with the relevant Bond Certificate and amounts payable by the relevant Bondholder being deposited or paid as required by this Instrument, the Issuer shall, as soon as practicable, and in any event not later than five Trading Days after the Conversion Date, register the person or persons designated for the purpose in the Conversion Notice as holder(s) of the relevant number of Shares in the Issuer's share register and will cause its Hong Kong share registrar to mail (at the risk, and, if sent at the request of such person otherwise than by uninsured ordinary mail, at the expense, of the

person to whom such certificate or certificates are sent) such certificate or certificates to the person and at the place specified in the Conversion Notice, together with any other securities, property or cash required to be delivered upon conversion and such assignments and other documents (if any) as may be required by law to effect the transfer thereof.

- (ii) If the Conversion Date in relation to any Bond shall be after the record date for any issue, distribution, grant, offer or other event as gives rise to the adjustment of the Conversion Price pursuant to Condition 8.3, but before the relevant adjustment becomes effective under the relevant Condition, upon the relevant adjustment becoming effective the Issuer shall procure the issue to the converting Bondholder (or in accordance with the instructions contained in the Conversion Notice (subject to applicable exchange control or other laws and regulations)), such additional number of Shares as, together with the Shares issued or to be issued on conversion of the relevant Bond, is equal to the number of Shares which would have been required to be issued on conversion of such Bond if the relevant adjustment to the Conversion Price had been made and become effective immediately after the relevant record date (as calculated by the Issuer in accordance with these Conditions).
- (iii) The person or persons designated in the Conversion Notice will become the holder(s) of record of the number of Shares issuable upon conversion with effect from the date he is or they are registered as such in the Issuer's register of members (the **Registration Date**). The Shares issued upon conversion of the Bonds will in all respects rank *pari passu* with the Shares in issue on the relevant Registration Date. Save as set out in these Conditions, a holder of Shares issued on conversion of Bonds shall not be entitled to any rights the record date for which precedes the relevant Registration Date.
- (iv) If the record date for the payment of any Dividend or other distribution in respect of the Shares is on or after the Conversion Date in respect of any Bond, but before the Registration Date (disregarding any retroactive adjustment of the Conversion Price referred to in this Condition 8.2(c) prior to the time such retroactive adjustment shall have become effective), the Issuer will pay to the converting Bondholder or his designee an amount (the **Equivalent Amount**) equal to the Fair Market Value of any such Dividend or other distribution to which he would have been entitled had he on that record date been such a shareholder of record and will make the payment at the same time as it makes payment of the Dividend or other distribution, or as soon as practicable thereafter, but, in any event, not later than seven days thereafter. The Equivalent Amount shall be paid by means of a Hong Kong dollar cheque drawn on a bank in Hong Kong and sent to the address specified in the relevant Conversion Notice.

8.3 Adjustments to Conversion Price

The Conversion Price will be subject to adjustment in the following events:

- (a) **Consolidation, Subdivision or Reclassification:** If and whenever there shall be an alteration to the nominal value of the Shares as a result of consolidation, subdivision or reclassification, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such alteration by the following fraction:

$$\frac{A}{B}$$

where:

A is the nominal amount of one Share immediately after such alteration; and

B is the nominal amount of one Share immediately before such alteration.

Such adjustment shall become effective on the date the alteration takes effect.

- (b) *Capitalisation of Profits or Reserves*: If and whenever the Issuer shall issue any Shares credited as fully paid to the Shareholders by way of capitalisation of profits or reserves (including any share premium account) including Shares paid up out of distributable profits or reserves and/or share premium account issued, save where Shares are issued in lieu of the whole or any part of a specifically declared cash Dividend (the **Relevant Cash Dividend**), being a Dividend which the Shareholders concerned would or could otherwise have received and which would not have constituted a Capital Distribution (a **Scrip Dividend**), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such issue by the following fraction:

$$\frac{A}{B}$$

where:

A is the aggregate nominal amount of the issued Shares immediately before such issue; and

B is the aggregate nominal amount of the issued Shares immediately after such issue.

Such adjustment shall become effective on the date of issue of such Shares or if a record date is fixed therefor, immediately after such record date.

- (c) *Capital Distribution*: If and whenever the Issuer shall pay or make any Capital Distribution to the Shareholders (except where the Conversion Price falls to be adjusted under Condition 8.3(b) above), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such Capital Distribution by the following fraction:

$$\frac{A - B}{A}$$

where:

A is the Current Market Price of one Share on the last Trading Day preceding the date on which the Capital Distribution is publicly announced; and

B is the Fair Market Value on the date of such announcement of the portion of the Capital Distribution attributable to one Share.

Such adjustment shall become effective on the date that such Capital Distribution is made.

- (d) *Dividends*: If and whenever the Issuer shall pay or make any Dividend to the Shareholders, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such Dividend by the following fraction:

$$\frac{A - B}{A}$$

where:

- A is the Current Market Price of one Share on the last Trading Day preceding the date on which the Dividend is publicly announced; and
- B is the Fair Market Value on the date of such announcement of the portion of the cash distribution attributable to one Share.

Such adjustment shall become effective on the date that such Dividend is paid.

- (e) *Rights Issues of Shares or Options over Shares*: If and whenever the Issuer shall issue Shares to all or substantially all Shareholders as a class by way of rights, or issue or grant to all or substantially all Shareholders as a class, by way of rights, of options, warrants or other rights to subscribe for or purchase any Shares, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such issue or grant by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- A is the number of Shares in issue immediately before such announcement;
- B is the number of Shares which the aggregate amount (if any) payable for the Shares issued by way of rights or for the options or warrants or other rights issued or granted by way of rights and for the total number of Shares comprised therein would purchase at such Current Market Price per Share; and
- C is the aggregate number of Shares issued or, as the case may be, comprised in the issue or grant.

Such adjustment shall become effective on the date of issue of such Shares or issue or grant of such options, warrants or other rights (as the case may be).

- (f) *Rights Issues of Other Securities*: If and whenever the Issuer shall issue any securities (other than Shares or options, warrants or other rights to subscribe for or purchase Shares) to all or substantially all Shareholders as a class, by way of rights, or the issue or grant to all or substantially all Shareholders as a class by way of rights, of any options, warrants or other rights to subscribe for or purchase or otherwise acquire, any securities (other than Shares or options, warrants or other rights to subscribe for or purchase Shares), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such issue or grant by the following fraction:

$$\frac{A - B}{A}$$

where:

- A is the Current Market Price of one Share on the last Trading Day preceding the date on which such issue or grant is publicly announced; and
- B is the Fair Market Value on the date of such announcement of the portion of the rights attributable to one Share.

Such adjustment shall become effective on the date of issue of the securities or grant of such rights, options or warrants (as the case may be).

- (g) *Modification of Rights of Conversion etc:* If and whenever there is any modification of the rights of conversion, exchange, subscription, purchase or acquisition attaching to any securities arising from a conversion or exchange of other existing securities (other than in accordance with the existing terms applicable to such securities), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such modification by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- A is the number of Shares in issue immediately before such modification (but where the relevant securities carry rights of conversion into, or rights of exchange or subscription for, or purchase or acquisition of, Shares which have been issued by the Issuer for the purposes of, or in connection with, such issue, less the number of Shares so issued);
- B is the number of Shares which the aggregate consideration (if any) receivable by the Issuer for the Shares to be issued, or otherwise made available, on conversion or exchange or on exercise of the right of subscription, purchase or acquisition attached to the securities so modified would purchase at such Current Market Price per Share or, if lower, the existing conversion, exchange, subscription or purchase price of such securities; and
- C is the maximum number of Shares to be issued, or otherwise made available, on conversion or exchange of such securities or on the exercise of such rights of subscription, purchase or acquisition attached thereto at the modified conversion, exchange, subscription or purchase price or rate but giving credit in such manner as a leading investment bank of international repute (acting as experts), selected by the Issuer and approved by an Ordinary Resolution of the Bondholders, consider appropriate (if at all) for any previous adjustment under this Condition 8.3(g) above.

Such adjustment shall become effective on the date of modification of the rights of conversion, exchange, subscription, purchase or acquisition attaching to such securities.

- (h) *Other Offers to Shareholders:* If and whenever there is an issue, sale or distribution by or on behalf of the Issuer or any Subsidiary or (at the direction or request of or pursuant to any arrangements with the Issuer or any Subsidiary) any other company, person or entity of any securities in connection with an offer by or on behalf of the Issuer or any Subsidiary or such other company, person or entity pursuant to which offer the Shareholders generally (meaning for these purposes the holders of at least 50 per cent. of the Shares outstanding at the time such offer is made) are entitled to participate in arrangements whereby such securities may be acquired by them (except

where the Conversion Price falls to be adjusted under Condition 8.3(e) or (f) above), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such issue, sale or distribution by the following fraction:

$$\frac{A - B}{A}$$

where:

A is the Current Market Price of one Share on the last Trading Day preceding the date on which such issue is publicly announced; and

B is the Fair Market Value on the date of such announcement of the portion of the rights attributable to one Share.

Such adjustment shall become effective on the date of issue, sale or distribution of the securities.

- (i) *Other Events*: If either: (i) the rights of conversion, exchange, purchase or subscription attaching to any options, rights or warrants to subscribe for or purchase Shares or any securities convertible into or exchangeable for Shares or the rights carried by such securities to subscribe for or purchase Shares are modified (other than pursuant to, and as provided in, the existing terms and conditions of such options, rights, warrants or securities); or (ii) the Issuer determines that an adjustment should be made to the Conversion Price as a result of one or more events or circumstances not referred to in any other provisions of this Condition 8.3 which in either case have or would have an effect on the position of the Bondholders as a class compared with the position of the holders of all the securities (and options, rights and warrants relating thereto) of the Issuer, taken as a class, which is analogous to any of the events referred to in Conditions 8.3(a) to (h) (including any demerger, spin-off or similar arrangement in respect of any business of the Issuer and its Subsidiaries), then, in any such case, the Issuer shall at its own expense request a leading investment bank of international repute (acting as experts), selected by the Issuer and approved by an Ordinary Resolution of the Bondholders, to determine as soon as practicable what adjustment (if any) to the Conversion Price is fair and reasonable to take account thereof, if the adjustment would result in a reduction in the Conversion Price, and the date on which such adjustment should take effect and upon such determination such adjustment (if any) shall be made and shall take effect in accordance with such determination *provided that* where the circumstances giving rise to any adjustment pursuant to this Condition 8.3 have already resulted or will result in an adjustment to the Conversion Price or where the circumstances giving rise to any adjustment arise by virtue of circumstances which have already given rise or will give rise to an adjustment to the Conversion Price, such modification (if any) shall be made to the operation of the provisions of this Condition 8.3 as may be advised by a leading investment bank of international repute (acting as experts), selected by the Issuer and approved by an Ordinary Resolution of the Bondholders, to be in their opinion appropriate to give the intended result.

8.4 All costs, charges, liabilities and expenses incurred in connection with the appointment, retention, consultation and remuneration of the investment bank appointed under these Conditions shall be borne by the Issuer.

8.5 On any adjustment, the relevant Conversion Price, if not an integral multiple of one Hong Kong cent, shall be rounded down to the nearest four decimal places of one Hong Kong cent. No adjustment shall be made to the Conversion Price where such adjustment (rounded down, if applicable) would be less than one per cent. of the Conversion Price then in effect. Any adjustment not required to be made, and any amount by which the Conversion Price has not been rounded down, shall be carried forward and taken into account in any subsequent adjustment. Notice of any adjustment shall be given to the Bondholders (in accordance with Condition 18) as soon as practicable after the determination thereof.

8.6 The Conversion Price may not be reduced so that, on conversion of Bonds, Shares would fall to be issued at a discount to their nominal value or Shares would be required to be issued in any other circumstances not permitted by applicable laws then in force in Hong Kong.

8.7 Where more than one event which gives or may give rise to an adjustment to the Conversion Price occurs within such a short period of time that in the opinion of a leading investment bank of international repute (acting as experts), selected by the Issuer and approved by an Ordinary Resolution of the Bondholders, the foregoing provisions would need to be operated subject to some modification in order to give the intended result, such modification shall be made to the operation of the foregoing provisions as may be advised by a leading investment bank of international repute (acting as experts), selected by the Issuer and approved by an Ordinary Resolution of the Bondholders, to be in their opinion appropriate in order to give such intended result.

8.8 No adjustment shall be made to the Conversion Price where Shares or other securities (including rights, warrants or options) are issued, offered, exercised, allotted, appropriated, modified or granted to or for the benefit of employees, former employees, contractors or former contractors (including directors holding or formerly holding executive office) of the Issuer or any Subsidiary, pursuant to any share option scheme or plan that is duly adopted by the Issuer in accordance with the Listing Rules.

8.9 No adjustment involving an increase in the Conversion Price will be made, except in the case of a consolidation of the Shares as referred to in Condition 8.3(a) above or to correct an error.

9. UNDERTAKINGS

9.1 The Issuer undertakes and warrants, inter alia, that so long as there are any Outstanding Bonds save with the approval of a Special Resolution of the Bondholders, it shall (and, where applicable, shall procure that its Subsidiaries shall):

- (a) continue to be primarily engaged in the core business in which it is engaged as at the date hereof;

- (g) reserve, free from any pre-emptive or other similar rights, out of its authorised but unissued ordinary share capital, the full number of Shares liable to be issued on conversion of the Bonds from time to time and will ensure that all Shares issued upon conversion of the Bonds will be duly and validly issued as fully-paid; and
- (h) not make any offer, issue or distribution or take any action the effect of which would be to reduce the Conversion Price below the par value of the Shares of the Issuer, provided always that the Issuer shall not be prohibited from purchasing its Shares to the extent permitted by law.

9.2 Notice of Change in Conversion Price

The Issuer shall give notice to the Hong Kong Stock Exchange (or, as the case may be, the Alternative Stock Exchange) and the Bondholders in accordance with Condition 18 of any change in the Conversion Price. - (a) Payment of principal, premium, default interest and all other amounts payable under these Conditions, will be made by transfer to the Registered Account of the Bondholder or by HK\$ cheque drawn on a bank in Hong Kong mailed to the Registered Address of the Bondholder if it does not have a Registered Account. - (b) When making payments to Bondholders, fractions of one HK cent will be rounded down to the nearest HK dollar.

10.2 Registered Accounts

For the purposes of this Condition 10, a Bondholder's registered account means the HK\$ account maintained by or on behalf of it with a bank in Hong Kong (or such other HK\$ account as the Bondholder may notify to the Issuer from time to time), details of which appear on the Register of Bondholders at the close of business on the second Business Day before the due date for payment, and a Bondholder's registered address means its address appearing on the Register of Bondholders at that time.

10.3 Fiscal Laws

All payments are subject in all cases to any applicable laws and regulations in the place of payment, but without prejudice to the provisions of Condition 12. No commissions or expenses shall be charged to the Bondholders in respect of such payments.

Such default interest shall accrue on the basis of the actual number of days elapsed and a 360-day year.
- (b) Bondholders will not be entitled to any interest or other payment for any delay after the due date in receiving the amount due if such delay is caused solely because the due date is not a Business Day, if the Bondholder is late in surrendering its Bond Certificate (if required to do so) or if a cheque mailed in accordance with this Condition 10 arrives after the due date for payment.
- (c) If an amount which is due on the Bonds is not paid in full, the Issuer will annotate the Register of Bondholders with a record of the amount (if any) in fact paid.

For the avoidance of doubt, irrespective of the entitlement of a Bondholder to exercise the Default Put Right, the Default Interest shall continue to accrue until such date the Issuer redeems, in whole but not in part only, such Bondholder's Bonds at the Early Redemption Amount or until such date the Issuer pays the Default Interests and any other required interests in full, whichever is earlier.

- (b) To exercise its Delisting Put Right to require the Issuer to redeem its Bonds, the Bondholder must complete, sign and deposit at the Designated Office a duly completed and signed irrevocable notice of redemption, in the form for the time being current, obtainable during normal office hours from the Designated Office (a ***Delisting Put Exercise Notice***) together with the Bond Certificate evidencing the Bonds to be redeemed, on any Business Day prior to the close of business at the location of the Designated Office on such day and which day is not less than 10 Business Days prior to the Delisting Put Date.

A Proxy need not be a Bondholder.

2. Representatives

A holder of a Bond which is a corporation may by delivering to the Issuer not later than 48 hours before the time fixed for any meeting a resolution of its directors or other governing body in English authorise any person to act as its representative (a *representative*) in connection with any meeting or proposed meeting of Bondholders.

3. Duration of Appointment

A proxy or representative so appointed shall so long as such appointment remains in force be deemed, for all purposes in connection with any meeting or proposed meeting of Bondholders specified in such appointment, to be the holder of the Bonds to which such appointment relates and the holder of the Bond shall be deemed for such purposes not to be the holder.

4. Calling of Meetings

The Issuer may at any time convene a meeting of Bondholders. If the Issuer receives a written request by Bondholders holding at least 10 per cent. in principal amount of the Outstanding Bonds it shall as soon as reasonably practicable convene a meeting of Bondholders. Every meeting shall be held at a time and place approved by the directors of the Issuer.

5. Notice of Meetings

At least 21 days' notice (exclusive of the day on which the notice is given and of the day of the meeting) shall be given to the Bondholders to convene a meeting of Bondholders. A copy of the notice shall be given by the party convening the meeting to the other parties. The notice shall specify the day, time and place of meeting, be given in the manner provided in the Conditions and shall specify the nature of the resolutions to be proposed and shall include a statement to the effect that the holders of Bonds may appoint proxies by executing and delivering a form of proxy in English to the Designated Office not later than 48 hours before the time fixed for the meeting or, in the case of corporations, may appoint representatives by resolution in English of their directors or other governing body and by delivering an executed copy of such resolution to the Issuer not later than 48 hours before the time fixed for the meeting. The accidental omission to give notice to, or the non-receipt of notice by, any Bondholder shall not invalidate any resolution passed at any such meeting.

6. Chairman of Meetings

A person (who may, but need not, be a Bondholder) nominated in writing by the Issuer may act as chairman of a meeting but if no such nomination is made or if the person nominated is

not present within 15 minutes after the time fixed for the meeting the Bondholders present shall choose one of them to be chairman. The chairman of an adjourned meeting need not be the same person as was chairman of the original meeting.

7. Quorum at Meetings

At a meeting two or more persons present in person holding Bonds or being proxies or representatives and holding or representing in the aggregate not less than 10 per cent. in principal amount of the Outstanding Bonds shall (except for the purpose of passing a Special Resolution) form a quorum for the transaction of business and no business (other than the choosing of a chairman) shall be transacted unless the requisite quorum be present at the commencement of business. The quorum at a meeting for passing a Special Resolution shall (subject as provided below) be two or more persons present in person holding Bonds or being proxies or representatives and holding or representing in the aggregate over 50 per cent. in principal amount of the Outstanding Bonds provided that the quorum at any meeting the business of which includes any of the matters specified in the proviso to paragraph 16 shall be two or more persons so present holding Bonds or being proxies or representatives and holding or representing in the aggregate not less than 66 per cent. in principal amount of the Outstanding Bonds.

8. Absence of Quorum

If within 15 minutes from the time fixed for a meeting a quorum is not present the meeting shall, if convened upon the requisition of Bondholders, be dissolved. In any other case it shall stand adjourned to such date, not less than 14 nor more than 42 days later, and to such place as the chairman may decide. At such adjourned meeting two or more persons present in person holding Bonds or being proxies or representatives (whatever the principal amount of the Bonds so held or represented) shall form a quorum and may pass any resolution and decide upon all matters which could properly have been dealt with at the meeting from which the adjournment took place had a quorum been present at such meeting provided that at any adjourned meeting at which is to be proposed a Special Resolution for the purpose of effecting any of the modifications specified in the proviso to paragraph 16 the quorum shall be two or more persons so present holding Bonds or being proxies or representatives and holding or representing in the aggregate not less than 33 per cent. in principal amount of the Outstanding Bonds.

9. Adjournment of Meetings

The chairman may with the consent of (and shall if directed by) a meeting adjourn the meeting from time to time and from place to place but no business shall be transacted at an adjourned meeting which might not lawfully have been transacted at the meeting from which the adjournment took place.

10. Notice of Adjourned Meetings

At least 10 days' notice of any meeting adjourned through want of a quorum shall be given in the same manner as for an original meeting and such notice shall state the quorum required at the adjourned meeting. No notice need, however, otherwise be given of an adjourned meeting.

11. Manner of Voting

Each question submitted to a meeting shall be decided in the first instance by a show of hands and in case of equality of votes the chairman shall both on a show of hands and on a poll have a casting vote in addition to the vote or votes (if any) which he may have as a Bondholder or

as a proxy or representative. Unless a poll is (before or on the declaration of the result of the show of hands) demanded at a meeting by the chairman, the Issuer or by one or more persons holding one or more Bonds or being proxies or representatives and holding or representing in the aggregate not less than two per cent. in principal amount of the Outstanding Bonds, a declaration by the chairman that a resolution has been carried or carried by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

12. Manner of Taking Poll

If a poll is demanded, it shall be taken in such manner and (subject as provided below) either at once or after such an adjournment as the chairman directs and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuation of the meeting for the transaction of any business other than the question on which the poll has been demanded.

13. Time for Taking Poll

A poll demanded on the election of a chairman or on any question of adjournment shall be taken at the meeting without adjournment.

14. Persons Entitled to Attend

15. Votes

On a poll every person who is so present shall have one vote in respect of each Bond produced or in respect of which he is a proxy or a representative. Without prejudice to the obligations of proxies, a person entitled to more than one vote need not use them all or cast them all in the same way.

16. Powers of Meetings of Bondholders

provided that the special quorum provisions contained in the proviso to paragraph 7 and, in the case of an adjourned meeting, in the proviso to paragraphs 8 and 9 shall apply for the purpose of making any modification to the provisions contained in the Bonds which would have the effect of:

- (i) modifying the Maturity Date or the due dates for any payment in respect of the Bonds; or

17. **Resolutions Binding on all Bondholders**

Any Special Resolutions or Ordinary Resolutions passed at a meeting of Bondholders duly convened and held in accordance with this Schedule and the Conditions shall be binding on all the Bondholders, whether or not present at the meeting, and each of them shall be bound to give effect to it accordingly. The passing of such a resolution shall be conclusive evidence that the circumstances of such resolution justify the passing of it.

18. **Special Resolution**

The expression ***Special Resolution*** means a resolution passed at a meeting of Bondholders duly convened and held in accordance with these provisions by a majority consisting of not less than three-quarters of the votes cast at such meeting.

19. **Ordinary Resolution**

20. **Written Resolution**

A resolution in writing signed by or on behalf of the holders of not less than 90 per cent. in principal amount of the Outstanding Bonds who for the time being are entitled to receive notice of a meeting in accordance with these provisions shall for all purposes be as valid as a Special Resolution or an Ordinary Resolution passed at a meeting of Bondholders convened and held in accordance with these provisions. Such resolution in writing may be in one document or several documents in like form each signed by or on behalf of one or more of the Bondholders.

21. Minutes

Minutes shall be made of all resolutions and proceedings at every meeting and, if purporting to be signed by the chairman of that meeting or of the next succeeding meeting of Bondholders, shall be conclusive evidence of the matters in them. Until the contrary is proved every meeting for which minutes have been so made and signed shall be deemed to have been duly convened and held and all resolutions passed or proceedings transacted at it to have been duly passed and transacted.
